SHOW RULES

GENERAL

1. Orchidexpo 2023 is sanctioned by the American Orchid Society (AOS), following the rules of the *AOS Handbook on Judging and Exhibition* and the provisional rules of the *AOS Judging Committee*.
2. Upon registration, each exhibitor agrees to abide by the rules of this show.
3. Any question or litigation with respect to the interpretation or the application of the present rules or those of the AOS must be submitted to the Orchidexpo Chairman or the Head of Judging, as appropriate. Their decisions are final and without appeal. For any interpretation or application of the present rules, the French version of the Show rules takes precedence over this English version.
4. Exhibitors must request the space needed for their exhibit and the number of sales tables required. Their formal request must be made in writing to:

MARIO MIREAULT, ORCHIDEXPO CHAIRMAN

Email: info@orchidophilesmontreal.com

5. Les Orchidophiles de Montréal and College Ahuntsic are not responsible for any theft or damage to plants, flowers, pots, exhibits or any object belonging to exhibitors. However, all possible necessary precautions will be taken to prevent such losses or damages.
6. Access to the Exhibition Hall and sales area is free of charge to all members of Les Orchidophiles de Montréal wearing their valid membership card.
7. Any registered vendor who withdraws before the start of the Show:
 - Will not be reimbursed for the rental cost of his sales tables, and
 - If he wishes to register for a subsequent year, he will have to pay the full cost of renting his sales tables no later than December 31 preceding this future edition of Orchidexpo. These fees will not be refundable.

PLANTS AND OTHER ITEMS REGISTRATION

8. Upon arrival on site, all exhibitors shall go to Les Orchidophiles de Montréal's Front desk (*Table d'accueil*) to get their exhibit location, their sales table location if applicable, and other documents.
9. Registration and help form organizers are free of charge.
10. Only exhibits, plants and other duly registered items will be judged. In addition, registrations that do not respect the official classification will be disqualified.
11. Any plant or cut flower shipment by exhibitors not attending the show in person for exhibition purposes by Les Orchidophiles de Montréal must be received before 6:00 PM, Friday, March 24, 2023. Arrangements must be made with the Orchidexpo Chairman at least one week prior to the Show.

12. Any material to be returned at the request of an exhibitor will be at his own expenses. The Show Director shall dispose as he sees fit of any material not claimed or for which no arrangements will have been made with respect to its return.
13. Registration for judging purposes will follow the **REGISTRATION PROCEDURE** below.
14. No registration will be accepted for judging after **8:30 PM, Friday, March 24, 2023**. Articles not registered in due time will be exhibited but will not be judged during the Saturday Ribbon/Trophy judging.
15. Classes are open to all, except those which require an eligibility condition as outlined in the **LIST OF CLASSES, TROPHIES & ROSETTES** below.
16. Any registration in Classes 1, 2, 3 and 4 can also be made in Class 6 (Guest Orchid Society) if applicable.
17. An «Amateur» is a person cultivating orchids as a hobby and who does not sell more than fifty (50) orchids per year.
18. Any plant submitted for judging must have been owned by the exhibitor since at least three (3) months.
19. The Class in which a plant shall be registered is the one with the smallest possible Class number, as appropriate in the **LIST OF CLASSES, TROPHIES & ROSETTES** below.
20. «Hybrid» means an intrageneric hybrid made from more than one species of the same genus. «Intergeneric hybrid» means a hybrid made of species belonging to different genera.
21. A plant can only be registered in one Class. However,
 - a plant registered in Class 308 (Fragrance) can also be registered in another Class (15 to 119);
 - a plant registered in Class 119 (Seedling blooming for the first time) can also be registered in another Class (15 to 117; 308)
22. Entries in the Artistic Division (Classes 300 to 306; 309) must be the exhibitor's original creations.

EXHIBITS

23. Exhibits must be registered, as must the orchids contained therein.
24. Reasonable efforts will be made to give each exhibitor the space requested for his exhibit.
25. **Vendors selling orchids during the Show must set-up an exhibit of a size proportional to the number of sales tables they are using.** These tables are available at a cost set out in the registration form.
26. Tables for exhibits will be provided free of charge. However, canvas, decorative greenery and others props required for the exhibit shall be provided by the exhibitor.

27. No screen, curtain or partition is supplied. Nothing can be suspended or fixed to existing walls. Exhibitors must supply all their exhibit materials. Any reasonable material is allowed.
28. The Orchidophiles de Montreal will provide and install decorative lighting for the exhibits. However, if an exhibitor wishes to use his own lighting system, he shall have it approved by the Orchidexpo Chairman. Any lighting modifying the flowers' colors will be turned off during judging.
29. All exhibitors' identification signs will be supplied by Les Orchidophiles de Montréal. No other type of identification will be allowed in the Exhibition Hall.
30. Set-up is allowed during the scheduled period. All plants must be in place by **23:59 PM on Friday, March 24, 2023**.
31. Orchids shall be the only flowering plants in exhibits, except for cut flowers arrangements and corsages where orchids shall nonetheless predominate.
32. Any plant to be judged shall be identified by its genus and species name and, in the case of hybrids, by its hybrid name. Mericlones and awarded plants must be identified to that effect.
33. The Orchidexpo Chairman has the right to remove any exhibit or part thereof if he deems it to be of insufficient quality.
34. All plants, exhibits and other objects on display must remain in place until **5:15 PM on Sunday March 26, 2023**, whether have they been sold or not.

JUDGING

35. Only judges, judging assistants and authorized personnel can be present on the exhibition floor during judging.
36. Judges and judging assistants shall familiarize themselves with these show rules.
37. Ribbons will be given to the First, Second and Third places of each Class at the Judges' discretion; however, only one First place ribbon can be awarded for each Class. Rosettes and/or Trophies will be given as indicated in the **LIST OF CLASSES, TROPHIES & ROSETTES** below.
38. Judges have the authority to award or not any ribbon, prize or trophy, as well as to subdivide any Class.
39. In addition to ribbons and/or trophies awarded by the Judges, plants and flowers can potentially receive mentions from the AOS. When submitting a plant or an exhibit to AOS judging, the exhibitor agrees to receive such mention(s) and pay the associated costs to the AOS. If the exhibitor does not wish to receive such mention(s), he must specify "No AOS judging" on the registration form. A plant previously submitted to an AOS judging cannot be judged again by the AOS with the same inflorescences and shall also be flagged "No AOS judging".
40. Registration tags must be removed from the exhibits at the end of the judging period and before the public admission.

REGISTRATION PROCEDURE

Exhibits, plants, and other items must be registered according to the following procedure:

1. Registration for judging purposes will be:
 - By uploading the Form from the Society's web site (<https://www.orchidophilesmontreal.com/enregistrement>) as of **Friday March 10, 2023**, and e-mailing it back to enregistrement.odm@gmail.com once filled, by no later than **Friday March 24, 2023 at 3PM**.

OR

- In person using the paper Form available on site **Friday March 24 from 3PM to 8:30PM**.

WRITE LEGIBLY!

2. Regardless of the registration method chosen, the exhibitor must use the Form provided by Les Orchidophiles de Montréal. He must:

- Write his name and, if applicable, that of the Orchid Society he represents;

Each exhibitor in a Group or Society exhibit must use a separate Form and receive his own exhibitor number (Exhibitor #). However, there will be only one exhibit number (#Stand) for a group exhibit.

- Write the Class number (# Class) for each item to register:

A Class number search application is included in the electronic Form on the website. A list of genera and corresponding Classes is also available in hard copy in the registration room. These tools also make it possible to identify the Class of each species of *Dendrobium* and *Paphiopedilum*.

WHEN IN DOUBT, ASK FOR HELP!!!!

- Write the name of each plant exhibited. If the plant is a hybrid not registered with the RHS, enter the parents' names. If the plant has received an award, enter the acronym of the award (AM, HCC, FCC, etc.)

DO NOT WRITE IN THE OTHER SPACES.

3. Registration of plants in the Orchidophiles de Montreal exhibit:
 - Members who wish to exhibit a plant for that exhibit must first register it themselves and then take it where the exhibit will be set-up;
 - Registration tags will be provided to the person responsible for this exhibit at the very end of the registration period.
4. Once filled, return the paper Form to the Registration Clerks. You will then be assigned an exhibit number (Kiosque), an exhibitor number (Exposant) and a tag number (Étiquette (#)) for each item registered.
5. Once email registration is complete, the exhibitor will receive a Confirmation email. This

Confirmation must be used to make changes, corrections or modifications as needed.

6. On site, the exhibitor will receive the white tags to be affixed to each registered item. He must check them immediately. If there's an error, the exhibitor must notify a Registration Clerk to have corrections made as needed before the end of the registration period.
7. For any help or information, please ask a Registration Clerk.
